BSS: Gurukul Institute

It is situated in Redh Hills, Chennai, and having a vast land it is fully air-conditioned, well equipped with all modern facilities, library and etc.

By Durga Lakshmi's idea it is an initiative of effort we have given a big nod to our students to learn various languages like Tamil, Hindi, Malayalam, Telugu, Spanish, Urdu and English in a building in a multi-story building. In it too the students can have relaxed course during special and after including 2000 sq ft in a institute will be started SSC Coaching class.

N. Murugan

Also we are offering chance for the final year students and those who will complete the course we will conduct various rounds with our students which can be seen by Public.

Catch it right the first time...

... for there can be no substitute for the smile of real life!

"The spectacle of joyous, bright face you see is clearly a 'real life' and much more - but, also, being smart always repeat itself. Invest it better you see it in full detail the first time itself!"

**SAVE TREES**

**SAVE LIVES**

**N. Swetha**

Each year we pride ourselves in taking the credit for planting lakhs of saplings. But are we giving them the maximum conditions to grow and live? How many managed to survive? Thousands of trees have died in the last decade and of the remaining, thousands are under final threat as they are made to battle for their survival. If the remaining trees are to be saved, immediate action is needed.
